Dear Skeeter,

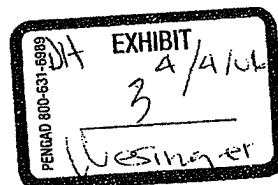

Thank-you for spending some time with me and taking me out to lunch during my recent visit. I enjoyed meeting everyone and was very impressed with your operation.

The opportunities that now seem quite obvious with respect to the Internet are exciting and I'm happy to say that I would like to participate — exactly how remains to be determined.

I'll contact you soon.  
to you and your family.

Happy holidays  
Best regards,  
Bill
